

**REMARKS**

This paper is responsive to the Board Decision of June 11, 2007. A Petition to Revive accompanies this Amendment. Reconsideration and allowance of claims 1-23 are requested.

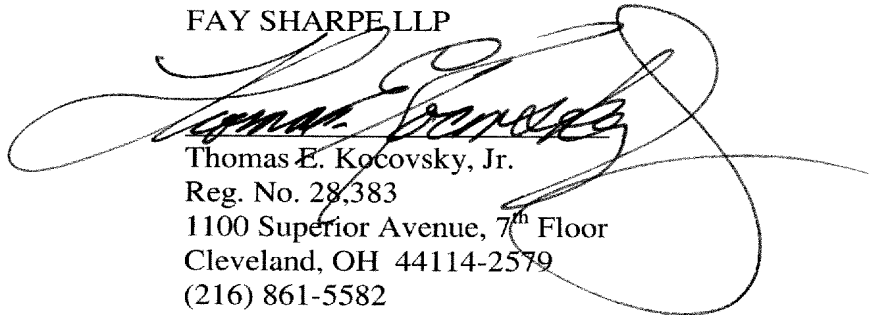

All claims currently stand rejected under 35 U.S.C. § 101 as failing to set forth a tangible result. The rejection on prior art was reversed by the Board. Accordingly, it is understood that claims 1-23 will be allowed when amended to add a tangible result.

The present amendment amends each of the independent claims to add a tangible result. It is submitted that with this amendment, all of the claims now comply with the requirements of 35 U.S.C. § 101 and are in condition for allowance.

An early indication of the allowability of all claims is requested.

Respectfully submitted,
